# Booking Tools

Different ways to find and book resources and facilities

The app has been improved to make it easier for students and staff to book using mobile devices.

smart**hub**

powered by **siso**

How it helps students

- **Faster to book:** Make favourites and custom lists, simply rebook

- **Flexibility:** No need to use a PC to book

- **Easier to get the right equipment:** Search using tags or categories

- **Nothing Gets Missed:** Live dashboard overview notifications
